

Criminal Law

Harper Grey's Criminal Law Practice Group includes experienced lawyers who bring a wealth of experience to each case. We have represented clients in some of British Columbia's most well known criminal law cases.

We counsel individual clients and corporations concerning their exposure to criminal law. Our lawyers represent clients in all manner of criminal cases at all levels of the judicial system, from the Supreme Court of Canada to the British Columbia Provincial Court, with a substantial body of work at the appeal court level.

Lawyers within the group have also served as former crown prosecutors and on occasion work as Crown Counsel in matters involving potential or perception of conflict within the Attorney General's Ministry.

Terry Robertson, QC chairs the criminal law practice group at Harper Grey. Please contact him at 604.895.2835 or trobertson@harpergrey.com.
