

Health Care

Harper Grey is the leader in civil litigation defence for doctors in British Columbia.

We are also actively involved in defending dentists, dental surgeons, psychologists, psychiatrists, chiropractors, physiotherapists, occupational therapists and naturopaths.

We have represented clients at every level of the judicial system, from British Columbia Provincial Court to the Supreme Court of Canada, and in all manner of administrative tribunals and disciplinary proceedings.

We have been involved with litigation involving multiple complex and novel issues including those related to the standards of medical care, medical products litigation, informed consent, limitation defenses, and regulatory issues.
