

## *Financial Services*

Our clients in the financial industry include banks, credit unions, trust companies, investment dealers, lenders and financial services companies throughout Canada and internationally.

We provide counsel in the areas of officers' and directors' liability, allegations of fraud, allegations of breach of fiduciary duty, allegations of negligent misrepresentation, allegations of negligent business and lending practices, employment disputes and breach of confidentiality.

We also do a significant amount of work regarding insolvency, foreclosures, debt collection, transactional errors, lender liability and security enforcement among other matters.
