HARPER GREY RANKED #10 IN BUSINESS IN VANCOUVER'S BIGGEST LAW FIRMS IN METRO VANCOUVER LIST

June 15, 2020

Business in Vancouver's annual "Biggest Law Firms in Metro Vancouver List" was published in their June 8, 2020 edition. The list is based on the number of lawyers practicing at each firm in Metro Vancouver and will also appear in the annual Book of Lists published annually by Business in Vancouver.

We are happy to announce that Harper Grey was ranked in the #10 spot in the list this year, with 81 lawyers practicing at the time of print. "No. 10 Harper Grey LLP recorded the largest one-year increase in lawyers, up 17.4% to 81 in 2020 from 69 in 2019", states the editorial that accompanied the list.

"Since the audit was done for this edition we have added another 7 lawyers, for a total of 88 as at June 15, 2020," advises Harper Grey's Managing Partner, [Jonathan Meadows](#). "Adding top-tier talent to our firm provides us with exceptional depth and enables us to provide legal services of the highest calibre to a broader range of clients."
