His services include:

- Business entity formation and structuring
- Mergers and acquisitions
- Debt and equity financing
- Public offerings and private placements
- Shareholders' agreements
- Licensing and intellectual property agreements
- Compensation and equity incentive plans
- Contracts for the supply of goods and services

EXPERIENCE

REPRESENTATIVE MATTERS

M&A AND SECURITIES

- a Vancouver-based provider of cloud supply chain software in acquisition by US private equity firm;
- a liquified natural gas virtual pipeline company in acquisition by US private equity firm;
- a minority shareholder in the disposition of a 49% equity stake in an international industrial auctioneer;
- a Canadian metalworking company in the acquisition of a dock equipment and marine accessory manufacturer;
- a Canadian real estate investment trust in an acquisition of a Canadian hospitality company;
- a Vancouver-based property management company in the purchase of multiple commercial properties;
- lead underwriters in an \$11 million public offering of a Canadian gold mining

company;

- an international pharmaceutical company in connection with a \$52 million private placement.

GOVERNANCE AND REGULATORY

- advising a regional transportation authority in its negotiations with a multinational IT company with respect to a service agreement for cloud-based procurement software;
- advising a US-based digital lending company on Canadian privacy laws and financial institutions regulations to consider in the context of a contemplated expansion into Canada;
- assisting clients with continuous disclosure obligations required by Canadian Securities Administrators.
