**HARPER GREY SUPPORTS BCTIA THROUGH
CATEGORY SPONSORSHIP OF BCTIA 2016
TECHNOLOGY IMPACT AWARDS**

June 8, 2016

On June 7, 2016, Harper Grey's [Steven Lukas](#), [Prentice Durbin](#), [Mike Brown](#) and **Andrew Brine** joined over 1,000 members of BC's tech community gathered for the sold out BCTIA 2016 Technology Impact Awards to celebrate the successes of the technology industry and the companies, people and innovation that continue to put British Columbia on the technology map.

As a category sponsor, we were delighted to present the **Most Promising Pre-Commercial Technology Award** to **Ronin8 Technologies**. This award acknowledges a pre-commercial technology that is in the research and development stage of development and has the potential to commercialize within five years. Congratulations to Paul Holgate and the rest of the team at Ronin8 Technologies on this achievement. Learn more about Ronin8 Technologies [here](#).
