### **EXPERTISE**

Health Law

Kristi brings a wealth of experience to her role, including 6 years of experience in the area of personal injury. Kristi works closely with the Group's lawyers providing paralegal support in all aspects of the organization and management of files. Working with all aspects of medical malpractice from commencement to trial preparation, her main focus is on medically complex Health Law cases.

Kristi obtained her Legal Administrative Assistant Certificate in 2009 from Douglas College. She went on to obtain her Paralegal Certificate in 2011 from Vancouver Community College. She began her career in corporate law and wills and estates and has been working in personal injury since 2011. Kristi is also a member of the BCPA.
