RICHARD BERETI AND UNA RADOJA TO CHAIR CLE-TV COURSE: BUSINESS AND PROPERTY TRANSACTIONS INVOLVING CONTAMINATED LANDS – LIABILITY IS STICKY IN THE WORLD OF CONTAMINATED SITES

Harper Grey lawyers [Richard Bereti](#) and [Una Radoja](#) will co-chair the CLE-TV webinar Business and Property Transactions Involving Contaminated Lands. The webinar will be held on Tuesday, June 19, 2018 from 9:00AM – 10:30AM and will provide a brief overview of the legal framework for determining responsibility for contaminated land and discuss the idiosyncrasies of the BC regime and recent changes. Liability for contaminated lands can be broader than you think. If you work on transactions that involve commercial, industrial, or residential properties, there is a chance that contaminated lands are involved. This course is relevant to lawyers with a practice in real estate, solicitors and litigators, real estate developers and related real estate professionals.
