**"SOCIAL ENGINEERING AND CYBER FRAUD:
PREVENTION, RESPONSE, AND RECOVERY"
PAPER**

In the paper, **Social Engineering and Cyber Fraud: Prevention, Response, and Recovery**, [Jonathan Meadows](#), [Daniel Reid](#) and [Paul Saunders](#) examine the nature of social engineering fraud, how it can be prevented, how it has been treated in Canadian and United States insurance coverage litigation, and how the insurance industry is responding to the ubiquitous risk of loss from social engineering fraud faced by today's organizations.
