**HARPER GREY SPONSORS BUSINESS
TRANSITIONS FORUM VANCOUVER**

October 1, 2018

We are delighted to announce our Luncheon Keynote sponsorship of the the 2018 Business Transitions Forum (BTF) Vancouver. Being held at the Westin Bayshore on November 7-8, BTF Vancouver is a conference for business owners who wish to learn how to plan for one of the most monumental decisions in their company's lifecycle – the eventual exit or transition from their business. This event will offer attendees the opportunity to learn from experts and connect with peers, who will offer valuable insights to help with transition strategies.

Harper Grey business law lawyer, [Prentice Durbin](#), will moderate the panel discussion entitled "Management Buyouts & The Leadership Team".
