## **HARPER GREY CO-SPONSORS INAUGURAL ANGEL FORUM WORKSHOP ON ANGEL INVESTING FOR BOTH ENTREPRENEURS AND INVESTORS**

Harper Grey and PwC co-sponsored the inaugural Angel Forum workshop in Nanaimo. The Angel Investing for both Entrepreneurs and Investors Workshop was organized by the Angel Forum in close co-operation with MIBI, the Greater Nanaimo Chamber of Commerce and the Innovation Island Technology Association. Harper Grey business law lawyer, [Steven Lukas](#), attended the workshop, panel discussion and networking event held on January 24, 2019. The interactive workshop offered an introduction to angel investing for new angel investors and entrepreneurs getting into raising funds and helped them better understand angel expectations. The workshop was highly interactive and the panel shared their very educational war stories.
