HARPER GREY SUPPORTS BELL LET'S TALK INITIATIVE TO HELP END THE STIGMA SURROUNDING MENTAL ILLNESS

January 30, 2019

Harper Grey is proud to support Bell Let's Talk – a wide-reaching, multi-year program designed to break the silence around mental illness and support mental health all across Canada. The 9th annual Bell Let's Talk Day, being held on January 30, 2019, promotes awareness and action with a strategy based on four key ideals: fighting the stigma, improving access to care, supporting world-class research and leading by example in workplace mental health.

Every second, every minute, and every day, someone is impacted by mental illness. Join the conversation and support Canada's mental health.
