HARPER GREY RECEIVES TOP RANKING BY BENCHMARK CANADA® 2019

March 26, 2019

For the seventh consecutive year, Harper Grey has been recognized by *Benchmark Canada: The Definitive Guide to Canada's Leading Litigation Firms and Attorneys 2019* with the highest ranking – “Highly Recommended” local litigation firm in British Columbia. The “Highly Recommended” ranking is given to those leading law firms held as dominant in their jurisdiction.

Identifying Harper Grey as an “historically esteemed institution in the Vancouver legal Market boasting bench strength in several key specialty areas” the Guide goes on to indicate that “dedicated clients also remain steadfastly appreciative, turning out in impressive numbers to champion the firm”. One such client raved “This team has provided outstanding legal service. They are prompt, responsive, and communicative. They are strong strategists and provide well researched, experienced legal advice. We work with many firms, and Harper Grey stands out. One member of the team remembers every interaction, memo, pleading and document. They understand a very complicated file and address it with ease and candor. We very much appreciate their strong advocacy.”

Benchmark Canada's Guide includes results that are a culmination of a four-month research period that allows their researchers to conduct extensive interviews with litigators and their clients. During these interviews, they examine recent casework handled by the firms and ask sources to offer their professional opinions on litigators practising within their province or practice area(s) across the country.

We are genuinely appreciative of the time our clients take to provide feedback during this process and indeed they are the reason we enjoy such stellar recognition.
