BENCHMARK CANADA® 2019 RECOGNIZES 19 HARPER GREY LAWYERS FOR LITIGATION EXPERTISE

March 27, 2019

We are proud to announce that 19 Harper Grey lawyers are featured as “Litigation Stars” across 10 areas of practice including defamation, general commercial, insurance, environmental, professional liability, health, medical malpractice, construction, product liability and personal injury in the recently published 2019 edition of Benchmark Canada: The Definitive Guide to Canada’s Leading Litigation Firms and Attorneys.

While the Guide noted that our firm’s lawyers are always “standing ready and able to fight hard” it is also noted that our clients appreciate our ability to provide regulatory and compliance counsel. We extend our congratulations to partner and Assistant Chair of our Health Law Group, [William Clark](#), who has been ranked in the areas of Health Law and Professional Liability.

The Guide also acknowledged that while we are “long revered for the senior talent on its litigation bench, as of late, the firm has seen younger members of its team become equally popular with peers and clients. We are very proud of and congratulate our newly ranked “Future Stars”:
