We are delighted to welcome our 2019 summer students – [Morgan Barber](#), [Klara Danielson](#) and [Nina Dauvergne](#). Morgan is attending law school at the University of Alberta, Klara at the University of Ottawa and Nina at the University of Victoria.

The Harper Grey summer program has been thoughtfully created to provide our summer students with a comprehensive and thorough introduction to the practice of law and all three students are already receiving challenging and rewarding work with our various practice groups.

We are excited to have Morgan, Klara and Nina as part of our team and look forward to providing them with a great summer and good sense of what full articling will be like.
