## **MICHAEL DROUILLARD CONTRIBUTES TO REAL ESTATE AGENT PRE-LICENSING COURSE MANUAL**

June 17, 2019

The UBC Sauder School of Business commissioned Harper Grey associate, [Michael Drouillard](#), to write part of a chapter in the real estate agent pre-licensing course manual. Michael was able to draw on his significant and diverse background in real estate (having practiced as a real estate agent) and his experience advising manufactured home park owners about various matters involving the Manufactured Home Park Tenancy Act. Learn more about Michael's cross disciplinary practice [here](#).

The section authored by Michael provides practical training and advice to real estate licensees who want to broker the sale of manufactured homes. The manual forms a mandatory part of the curriculum of study realtors are required to take to become licensed to sell real estate in BC. Learn more about this course [here](#).
