We are excited to warmly welcome our 2020 summer students! While we may not be able to welcome them face-to-face, we are delighted to have [Kate McInnes](#), [Meg Monteith](#), [Samantha Norton](#) and [Claire Shanna](#) join us for the summer. Kate is attending law school at the University of British Columbia, Meg and Samantha at the University of Victoria and Claire at the University of Calgary.

Our summer program invites outstanding second year law students to join Harper Grey for a thorough and comprehensive introduction to the practice of law. Read more about our summer program [here](#).
